Accommodation Information

We are not providing any accommodation guideline as concerns Hotels. We could indeed verify that rates available on sites like booking.com or similar, are often lower than any "special rate" we could negotiate.

This page will soon be updated with maps and logistic information on nearby hotels to help your choice in case you need.

In case you feel more comfortable for us to handle your hotel reservations, please send an e-mail to Mrs. Erina Pizzi (erina@ifsi-roma.inaf.it) and let her know your needs; she will be more than happy to provide assistance.
